

When you count multiple sets of objects and figure out how many they are all together you are doing something called addition.

You have been doing a lot of addition! Well done!

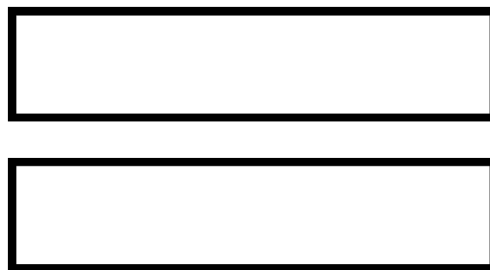

There are special ways to write addition problems.

Today you will be learning two new symbols that are important when writing down addition problems.

This is a plus sign. Color the plus sign.

This is an equal sign. Color the equal sign.

Read this poem. Discuss what the poem is about. Point out the letter J in the poem.

Jack and Jill

Jack and Jill went up the hill
To fetch a pail of water;
Jack fell down and broke his crown,
and Jill came tumbling after.
